**Converse**

**Natrona**

Cowboy Midstream operates the Powell Lateral pipeline in Wyoming. The Powell Lateral moves both Natural Gas and Crude Oil and is located in the Powder River Basin. It is located in both Natrona and Converse counties. In total, the Powell Lateral is approximately 35 miles in length.

**COMMITMENT TO SAFETY, HEALTH & ENVIRONMENT**

Cowboy Midstream is dedicated to promoting a safe work environment. With a great service and safety record, Cowboy Midstream continues to achieve these goals thru continued training and education and field exercises for our personnel. Our team is trained, prepared and ready to respond in the event of any emergency.
