Wyoming Gas Company is a natural gas utility company engaged in the distribution of natural gas to residential and commercial utility customers. Wyoming Gas Company serves the Burlington, Byron, Basin, Greybull, Manderson, Thermopolis, and Worland areas.

N G Transmission is an intra-state natural gas transmission company operating within the Big Horn Basin in Wyoming.

COMMITMENT TO SAFETY, HEALTH, & ENVIRONMENT

Wyoming Gas Company and N G Transmission’s goal is to provide safe, reliable gas service to our customers and ensure the safety of people living and/or working near our gas pipelines. Public awareness is a critical component of our overall safety program. Every employee of the company is committed to fulfilling our public awareness responsibilities. The company is proud of its safety record and follows many regulations and procedures to monitor and ensure the integrity of its pipelines.
