The Town of Walden, Colorado has served the Walden-WyColo-Woods Landing-Harmony-Ninemile areas with clean and efficient natural gas service since 1995. Walden Gas has about 400 Wyoming customers along Highway 230 from Laramie southwest into Colorado. Pinedale Natural Gas ([www.pinedalegas.com](http://www.pinedalegas.com)) operates the gas utility system for the Town.

**COMMITMENT TO SAFETY, HEALTH & ENVIRONMENT**

Walden Gas operates about 60 miles of gas transportation and distribution pipelines in Wyoming. These are part of a 2-million-mile national underground pipeline network.

All Walden pipelines are designed, built and operated under the regulatory oversight of the US DOT Office of Pipeline Safety. Walden Gas has an excellent safety record and is committed to ensure the integrity of its pipelines and the safety of its neighbors and customers.
