OPERATOR OVERVIEW

Hess Corporation is a leading global independent energy company engaged in the exploration and production of crude oil and natural gas. Hess is committed to meeting the highest standards of corporate citizenship and creating a positive impact on the communities where it operates.

Today, Hess operates approximately 1,650 producing wells across an area of roughly 460,000 acres in the Bakken oilfield. Hess has invested significant resources to develop a world class oil and gas production and gathering operation in the Bakken and to safely and efficiently transport crude oil and natural gas out of North Dakota to domestic and international markets. Hess assets in the Bakken include a gas plant, rail and trucking facilities and both non-regulated and regulated Hazardous Liquid (Crude Oil), Natural Gas, and Natural Gas Liquid pipelines. These operations occur primarily in three North Dakota counties: McKenzie, Mountrail, and Williams.

PROTECTING PUBLIC SAFETY AND OUR ENVIRONMENT

Hess has made a firm commitment to protecting Public Safety and the environment in all areas of our operation. Meeting this commitment requires us to be aware of, to think about and to follow the health and safety laws, regulations and policies relating to the activities for which we are responsible.

As part of this commitment, Hess has designed procedures for reducing or eliminating risk to surrounding communities and of damage to the environment. We meet, and strive to exceed, all applicable environmental laws and regulations.

Our Company seeks to reduce the impact of our activities through our long-standing commitment to safety, cleanliness and maintenance of our assets, and proper remediation.

HESS STATEMENT OF COMMITMENT TO PIPELINE PUBLIC AWARENESS

To ensure the safe, reliable, and environmentally sound operation of its pipeline assets:

Hess believes that public education combined with sound operating practices promotes public safety and protection of the environment.

Hess recognizes that public awareness and understanding of pipeline operations is vital to the continued safe operation of its pipelines. Therefore, it is our goal to raise the awareness of the affected public and key stakeholders.

Hess is dedicated to fully supporting and overseeing the administration of its Public Awareness Program by demonstrating support through Company standards, management participation and allocation of both personnel and financial resources.
