One-Call and 811 Support

RHPL is a member of One-Call in each state where we operate. We ensure the management of all One-Call tickets according to each state's governing laws. We encourage the use of 811 to all excavators in order to promote safe digging practices on and off the Navajo Nation.

## COMMITMENT TO SAFETY, HEALTH, & ENVIRONMENT

Navajo Nation Oil and Gas Company is committed to the protection of the health and safety of our employees, the general public, and to sound environmental stewardship. We believe that prevention of accidents and injuries and protection of the environment benefits everyone, and delivers maximum value to our shareholders, customers and employees.

We monitor our operations 24-hours a day and ensure safe pipeline operations through employee training, regular testing, right of way aerial and ground patrols and adhere to our comprehensive Integrity Management Plan and Procedures.

In addition to our 24-hour monitoring and ongoing safety and security procedures, Running Horse Pipeline relies on information from neighbors, contractors, government and safety officials to help local field personnel protect the pipeline and identify possible damage or suspicious activity.
